Verona Greenland, President and CEO of Morris Heights Health Center (MHHC) [www.mhhc.org](http://www.mhhc.org), was interviewed by WABC-TV Eyewitness News Reporter Nina Pineda on the recent MHHC celebration of 29 years of providing primary healthcare to Bronx residents of all ages.

“The theme of the celebration was ‘**Where Access and Quality Care Begin**’ which highlighted Morris Heights Health Center’s role as a “healthcare home” for some 60,000 patients by providing primary and preventive medical care services regardless of insurance or ability to pay,” said Verona Greenland, President and CEO of MHHC.
