WHAT IS A HEALTH HOME?

Health Home is a New York State Medicaid Care Coordination program set up by the New York State Department of Health to provide additional health care and social services to selected Medicaid beneficiaries. These services are being offered at no cost to you to help you handle all your health care needs and be as healthy as you can be.

WHAT ARE THE SERVICES OFFERED BY HEALTH HOMES?

As a member of the Bronx Accountable Healthcare Network (BAHN) Health Homes you will be assigned a Care Manager who will help you:

Connect with programs in your community:

- Vocational
- Educational
- Housing
- Social Service Programs

Choose services that will help you get healthy and stay well:

- Find and choose doctors and/or therapist
- Help you make appointments with your primary doctor

Learn how to manage and make decisions about your health:

- Diabetes
- Asthma
- High Blood Pressure
- Smoking
- Obesity
- Substance Abuse
- Heart Disease
- HIV / AIDS
- Mental Health Conditions

WHO IS ELIGIBLE FOR A HEALTH HOME?

Health Homes are for individuals with Medicaid who:

- Have 2 or more chronic conditions
- Have one chronic condition and are at risk for a second
- Have any mental health condition
- NOTE: If you are HIV-positive, you automatically qualify for the program. Speak with your provider for more info.

Chronic conditions include mental health, substance abuse, asthma, diabetes, heart disease, HIV/AIDS and being overweight.

Health Home services are FREE! Becoming a member is your choice. Your Medicaid and social service benefits WILL NOT change.
