Morris Heights Health Center (MHHC) has a Patient Care Representative for you!

The Patient Care Representative (PCR), formerly Patient Advocate, coordinates the resolution of patient care issues and concerns. This individual works closely with the medical team, support staff and leadership to improve overall customer service and patient satisfaction at MHHC. The PCR enhances your relationship with MHHC and ensures that you have someone working on your behalf if an issue should ever arise.

**WHAT CAN THE PCR DO FOR YOU?**
- Facilitate resolution of complaints/grievances/requests for patients.
- Document patient concerns, compliments, comments, suggestions and actions taken to resolve issues.
- Provide assistance to patients with compliance with the rules, regulations and policies at MHHC.
- Assess and meet patient needs using appropriate resources at MHHC.

Your Patient Care Representative is there to help you! If you need assistance, please contact: (718) 483-1206
