

Omega Health Urgent Care clinic opens in West Bronx

New Omega Health Urgent Care Clinic opened on 1 West Burnside Avenue.

Residents in the West Bronx community will now have access to a new urgent care, Omega Health, conveniently located in the Burnside Jerome Tremont (BJT) district at the intersection of W. Burnside Avenue & Jerome Avenue, just under the 4-train subway entrance.

“We’re excited to expand our services throughout the Bronx. The opening of this urgent care will provide immediate care and immediate results for patients with non-life-threatening symptoms,” said President & CEO Mari Millet. “Omega Health will allow for us to ensure continuity of care and allow for our patients to continue seeing the same medical professionals that they trust.”

Omega Health Urgent Care, located at 1 West Burnside Avenue, opened its doors to the community on May 18, 2021. The new urgent care clinic will provide residents with a range of medical services from treatment for minor injuries and illnesses, cold and flu like symptoms, STD & STI screenings, COVID-19 services, and other urgent non-life-threatening conditions. This state-of-the-

art facility offers 2500 square feet of space with 2 exam rooms, 1 procedure room, a radiology suite to perform onsite x-ray services and contactless self-check-in kiosk. “Health is one factor in an individual’s life that should never be taken for granted,” described Pamela Williams, Site Director of Omega Health.

“With the opening of Omega Health, West Bronx now have access to prompt and reliable care.” Patients can walk-in today and be seen almost immediately by one of the medical staff. The new urgent care clinic is accessible weekdays from Tuesday - Thursday, 12pm-8pm and from 10am-6pm

on weekends. Omega Health Urgent Care Clinic accepts most insurances. Payment assistance is available for non-insured patients. No appointments needed. To find out more information about Omega Health Urgent Care please visit their social media page @OmegaHealth, or call (929)-238-7400
